Faith, family, and firearms! Book 5, *Undeclared World* is a grand slam homerun. All the main characters, and loose ends from the first four books get resolution. The plot complexity is way above par. I won't be a spoiler, but I will say that a kid, an old codger and a dog make heroism look easy. I recommend Chris Pike and her books to everyone. This book and the whole series are books to put on your MUST READ list.
